THIRD EDITION LATER FROM EUROPE. French Assembly Elections. Decided Monarchical Triumph. To-Day's Washington News. Nullifying Constitutional Amendments. Great Speech of Senator Morton. The Democracy Severely Handled. No News of the Tennessee.

FROM WASHINGTON. Speech of Senator Morton—Seathing Criticism of the Democracy. WASHINGTON, Feb. 15.—Governor Morton today called upon the resolutions of the Indiana Legislature nullifying the ratification of the fifteenth amendment to the Constitution of the United States, and proceeded to make a speech showing the position of the Democratic party relative to the new amendments to the Constitution.

THE TROUBLE WITH THE DEMOCRATIC PARTY. he said, was that they failed to see the wrongfulness of Rebellion, hence they refused to admit that Rebel States had not the same rights politically as the loyal States. He held that the action of the Legislature of Indiana in nullifying the amendment does not amount to anything in point of law. It only shows the purpose of the Democracy. He argued that it is impossible for any State to nullify an amendment to the Constitution after it has been ratified by three-fourths of the States.

PROGRAMME OF THE DEMOCRATS. is revolution and retrogression. Mr. Morton charged that the adoption of the amendments to the Constitution were strongly opposed by the Democratic party in and out of Congress, that the Democratic party everywhere denied to Congress the right to require the late Rebel States to ratify the amendments as conditions to their restoration, and that no Democratic convention, Legislature, or leading statesman, so far as he knew, has accepted or admitted the validity of the amendments. THE OBERLOOK OVER THE FUNERAL OF ALICE GARY. —Sad and Impressive Services—End of an Eventful Life. The church was filled with mourning friends, notwithstanding the raging storm, as Miss Gary was widely known and loved in private as well as in public life. The pastor, the Rev. Dr. H. H. Corbin, officiated. The funeral was a most touching and impressive one. The coffin was borne to the church by the organ, and a solemn strain of the voluntary "I know that my Redeemer liveth" from the organ was played. The choir then sang the anthem, "What Sweetly Soothe the Thoughts," composed by Miss Alice Gary.
